Earth Day 2020

Wednesday 22nd April

Crafty Competition!

This year marks 50 years of Earth Day, and the theme this year is **Climate Action!**

At the Kent High Weald Partnership we are launching a **competition** to see your best **Earth Day** work! This can be from wild art to posters or short stories, or show us what you've been doing at home to help save the planet!

The competition starts today and will close at **12pm on the 6th May**, with the winners being announced soon after!

Please send your entries to our Facebook page, or email
rebecca.messenger@kent.gov.uk.
We can't wait to see your creations!
